

June 28, 2022

To all students

Tokyo University of Marine Science and Technology

Lifting of Campus Access Restrictions from July

Campus access restrictions adopted until June 30 as a virus containment measure (which have required students to present their ID card at guard stations) will be lifted as of July 1.

As before, we request your diligence in taking steps to prevent infection. Please also consider getting vaccinated.

Students will be notified in the event that new decisions must be made in response to changing conditions.

We ask that you continue to keep a daily record of your health on the Health Check Sheet or in the Kenko Nikki (health diary) app.

Thorough measures to prevent Covid-19 infection (June 28, 2022)
